Here User/Admin will add inventory details like party name, item, total qty, rates etc.

This screenshot shows the 'Add Invoice' interface. At the top, there are fields for 'Party' (AK Bhendar), 'Date' (03/01/2023), and 'Invoice No.' (43). Below this is a table for adding items, with one row entered: Item No. 1, Select Item 'Services', Kgs/Bags 100, No. of Bags 1000, Total Qty 10000, Rate 6, Amount 36000, and Mark. A summary row at the bottom shows Total 10000, 36000, and 36000. On the left, 'Other Charges' are listed with three dropdowns for 'Select Other Account'. On the right, 'Tax Details' show a Taxable Amount of 77396.00, a Total GST Amount of 44012.00, a Round OFF of 0.00, and a Grand Total of 323272.00. At the bottom, there are buttons for 'Reset', 'E-Invoice', and 'Save'.

Add Lorry Details

Here User/Admin will add lorry details like transporter name, lorry no, delivery address etc.

This screenshot shows the 'Lorry Details' interface. It includes fields for PO No., Transporter (Shivam Multicarriers Transport), Driver (Kamlesh), Owner (Suresh), Driver ID No., Chassis No., Total Weight, and Revenue Receipt. Below this is a 'Delivery Address Details' section with fields for Lorry No., Driver Name, Driver Address, Place, State, and District. At the bottom, there are buttons for 'Reset', 'Save', and 'Dispatcher Details'.

Invoice List

After adding Invoice and lorry details here it will show all invoice details

This screenshot shows the 'Invoice List' interface. It displays a table of invoices with columns for Sr. No., Date, Invoice No., Party Name, Amount, and Action (Edit and Print). The table lists 15 invoices from January 2023 to February 2023, with amounts ranging from 36000.00 to 1417500.00. A search bar and an 'Add Invoice' button are at the top. A large circular overlay at the bottom center contains the text '13 / 45' and a 'Restart R' button.
